Dear Chairman Wheeler,

I am writing to invite you to deliver remarks at the fourth annual *New Hampshire Business Day Luncheon* event on Wednesday, June 11th, 2014 in Washington, DC.

The *New Hampshire Business Day Luncheon* is designed to bring together the New Hampshire business community for an event on Capitol Hill and provide them with information on federal programs and agencies that support, regulate, offer research and technical assistance to their businesses.

Vital to New Hampshire's economic stability and growth is the ability for the business community to understand how the federal government operates and what tools they can leverage through their congressional delegation. Last year, more than 150 members of the New Hampshire business community attended the event and guests had the opportunity to listen to and ask questions of members from the Obama administration and congressional lawmakers about federal programs and resources available to them.

Last year's speakers included Secretary Jack Lew, Secretary Shaun Donovan, Director Richard Cordray, Director Sylvia Mathews Burwell, Chairman Martin Gruenberg, Chris Thompson of BrandUSA and Senators Kelly Ayotte, Rob Portman and Judd Gregg.

The 4th Annual *New Hampshire Business Day Luncheon* will take place from 12:30pm to 3:00pm in the Senate Dirksen or Hart Office Building. I understand the demands on your schedule and would like to accommodate your participation at a time that is most convenient during that two and a half hour window of time. Schedule permitting, I recommend delivering remarks for five or seven minutes and allowing for a ten minute question and answer period.

Thank you for your consideration and if your staff has any questions or would like to discuss scheduling possibilities, please contact Justin Burkhardt at (202)224-2841 or Justin_Burkhardt@Shaheen.Senate.Gov.

Sincerely,

Jeanne Shaheen
United States Senator
